<b>Maturity Tenor Redemption:</b>	Perpetual, subject to call option at the discretion of the Bank as defined hereinafter.

	<p>The Bank shall have the right, in its sole discretion, but subject to abidance by the ratios and regulations of the CBL and the Banks Control Committee (“BCC”), to redeem on each Redemption Date (as defined hereinafter), all or part of the Series “H” Preferred Shares (but not less than 25% of the total number of such Shares, on pro rata basis between the Series “H” Preferred Shareholders).</p> <p>“Redemption Date” shall mean (i) for the first time, the last Business Day of the financial year during which falls the 5th anniversary of the Extraordinary General Meeting of the Bank’s shareholders which will ascertain the validity and payment of the capital increase by virtue of which the Shares are issued; (ii) the corresponding Business Day every consecutive 2 years thereafter; and (iii) any date determined by the Bank after the date of issuance of the Preferred Shares, in case of occurrence of any event, the result of which is to prevent the Bank from booking the value of the Preferred Shares as Tier One capital or from keeping the Issue Premium in foreign currency. To exercise its call option, the Bank shall, at least 60 Business Days prior to the Redemption Date, inform all holders of Shares by way of publication in two local newspapers of its firm and irrevocable intent to redeem all or part of the Preferred Shares, as the case may be.</p> <p>Should the Bank exercise this call option, holders of the Series “H” Preferred Shares will be obliged to transfer to the Bank their Shares, and the Bank, in exchange thereof, shall pay to the holders, on the Redemption Date, a consideration equal only to the Issue Price of the redeemed Shares, i.e., US\$25 per Preferred Share (the “Redemption Price”, which will be subject to adjustment in case of stock split), irrespectively of any increase in the value of such Preferred Share, but without prejudice to the right of the holders to receive the distribution payments for the Redemption Year as more fully described here below, and any Annual Dividend that the General Meeting of the Bank’s shareholders has resolved to distribute but that has not been actually paid yet.</p> <p>Following the redemption of the Preferred Shares, the redeemed Preferred Shares will be cancelled and the Bank’s Extraordinary General Meeting of shareholders will take all necessary measures to keep the Bank’s capital unchanged, and to amend the Bank’s by-laws accordingly.</p> <p>For the avoidance of doubt, it is clearly understood that the Bank has no obligation whatsoever to purchase or redeem the Preferred Shares.</p>
<p><b>Dividend:</b></p>	<p>The Series “H” Preferred Shares shall earn an annual dividend (the “Annual Dividend”) equal to 7.00% per year of the Issue Price (subject to adjustment in case of stock split), provided that (i) there are enough Declared Net Profits to allow the payment of such Annual Dividend; (ii) the Bank is in compliance with all ratios imposed by the CBL and the BCC; and (iii) the Bank’s Ordinary General Meeting of shareholders resolves the distribution of the Annual Dividend. It is the intention of the Board of Directors to declare annual distributions in respect of the Preferred Shares, subject to availability of sufficient net income for the concerned financial year, and to recommend to the Bank’s Ordinary General Meeting of shareholders that it resolves such distribution; it being noted that the General Meeting must resolve such</p>

	<p>distribution when sufficient Declared Net Profits are available, unless a legal or regulatory reason prevents said distribution.</p> <p>For the purpose hereof, "Declared Net Profits" shall mean the Bank's audited consolidated net profits, as approved by the Ordinary General Meeting of the Bank's shareholders, after tax and after deduction of the legal and statutory reserves and all reserves required by the CBL and the BCC applicable regulations.</p> <p>Without prejudice to the above mentioned conditions required for the payment of the Annual Dividend, if the Declared Net Profits for any relevant year are not sufficient to allow the payment of all amounts that are due with respect to the outstanding preferred shares of various series issued by the Bank and then outstanding, the Bank's General Meeting of shareholders may resolve the distribution to the holders of such preferred shares, including the holders of Series "H" Preferred Shares, the available Declared Net Profits, on a pro rata basis between the holders of the preferred shares of all series then outstanding.</p>
<b>Dividend Payment:</b>	<p>Payment of the Annual Dividend, if and when resolved by the Bank's General Meeting of shareholders, shall be made annually within a period of 15 days following the date of the relevant Ordinary General Meeting of shareholders during which (i) the Bank's annual audited accounts for the relevant financial year are approved; and (ii) the Annual Dividend distribution is resolved. The Annual Dividend of 7.00% being stated for a full fiscal year, it shall be adjusted, on a pro rata basis of the relevant period, for the fraction of year during which the issuance of the Preferred Shares occurs. In case of redemption of the Series "H" Preferred Shares as described above, the Annual Dividend due to the holders of such Preferred Shares for the year during which redemption occurs (the "Redemption Year") shall be paid during the year following the Redemption Year, within a period of 15 days following the date of the Ordinary General Meeting of shareholders during which (i) the Bank's annual audited accounts for the Redemption Year are approved; and (ii) the corresponding Annual Dividend distribution is resolved. Any remaining dividends after the payment of the Annual Dividend (and after payment of the distributions due on the Series "D", Series "E", Series "F" and Series "G" Preferred Shares issued by the Bank) shall be shared on a pro rata basis exclusively among the holders of the common shares of the Bank. Annual Dividend distributions are subject to withholding tax, currently at the rate of 5%. The tax on distribution will be borne by the holders of Series "H" Preferred Shares and withheld from the Annual Dividend distributions, as per the applicable laws and regulations.</p>
<b>Dividend Cumulative:</b>	<p><b>Not</b></p> <p>The right to payment of the Annual Dividend on the Series "H" Preferred Shares shall not be cumulative. If for any reason the Annual Dividend is not declared and/or if its distribution is not resolved, or if the amount of the Annual Dividend declared and paid is less than 7.00% of the Issue Price, the holders of Series "H" Preferred Shares will not be entitled to subsequently receive such Annual Dividend or the balance thereof, in whole or in part as the case may be, whether or not funds are or subsequently become available.</p>
<b>Liquidation</b>	<p>In the event of a dissolution, winding-up or liquidation of the Bank, each holder</p>

<b>Preference:</b>	of Series "H" Preferred Shares shall be entitled to receive out of the assets of the Bank, in priority to any payment to the holders of the Bank's common shares, an amount equal to the Issue Price (subject to adjustment in case of stock split) multiplied by the number of Series "H" Preferred Shares held by such holder of Series "H" Preferred Shares, in addition to any Annual Dividend, if any, the distribution of which has been decided by the Bank's General Meeting of shareholders, but the payment of which has not actually been effected yet.
<b>Restrictions on Payment of Dividends to Common Shares:</b>	So long as any Preferred Shares of Series "D", "E", "F", "G" and/or "H" shall be outstanding, the Bank shall not declare or pay any dividend upon its common shares during any fiscal year, unless and until all distributions in respect of the Preferred Shares have been made, for each Series in accordance with its terms and conditions.
<b>Restrictions on the Participation to the Bank's Reserves:</b>	Without prejudice to the rights devolving on the Preferred Shares as specifically mentioned herein, holders of Series "H" Preferred Shares shall not be entitled to participate to the Bank's reserves or to benefit from any distributions resulting from the capital increase of the Bank by way of conversion of the Bank's reserves and/or retained earnings into capital.
<b>Restrictions on Participation to the Bank's Capital Increases:</b>	<p>Holders of Series "H" Preferred Shares shall have the right to maintain their pro rata equity holding in the Bank's capital in any subsequent offering of preferred shares by participating to such offering, should the Bank issue such securities.</p> <p>However, holders of Series "H" Preferred Shares will not have any preferential right to subscribe to capital increases of the Bank, when such capital increases are effected by way of issuance of common shares.</p>
<b>No Voting Rights</b>	Holders of the Preferred Shares do not have the right to participate in discussions or to vote at the Bank's General Meeting of Shareholders, except in the cases specifically mentioned in the Law n. 308/2001, and taking into consideration that the Annual Dividend due on the Series "H" Preferred Shares is not cumulative.
